

The image features a textured, light brown background with several overlapping geometric shapes in various colors: a large red circle at the top, a purple circle overlapping it, a teal circle below the purple one, a yellow diamond on the left, a green circle overlapping the teal one, a blue circle at the bottom left, and a large orange circle at the bottom right. A pink rectangular strip is positioned horizontally across the middle, containing the text 'EPA FINI' in a bold, sans-serif font. The letters are cut out of the pink strip, revealing the underlying layers of shapes and the brown background. The letters 'E', 'P', 'A', and 'F' are made of brown cardboard, while 'I', 'N', and 'I' are made of pink paper. The first 'I' has a small red dot above it.
